Dr. J. DeWitt Fox, Editor  
LIFE AND HEALTH  
Washington 12, D. C.

Dear Dr. Fox:

General Smith has asked me to acknowledge your request of October 15th to contribute a few paragraphs for your magazine. While he is pleased to be asked to do this he does not consider it appropriate that officials of a sensitive agency should become known as contributors to magazines and journals. He therefore declines with thanks.

Sincerely,

/s/
